## MEDICINAL.

### Frequent Throbbing Headache.

There's many a cause for headache. Men are not often troubled by headaches. When they are it is generally due to biliousness or indigestion. But women have headaches which seem peculiar to their sex, frequent, nervous throbbing headaches. Does it not seem as if such headaches peculiar to women must be at once related to womanly disease? Women who suffer with diseases peculiar to the sex do not realize the drain of vital strength and nerve force they undergo as a consequence of disease. It is this which causes the familiar headaches of sick women.

Dr. Pierce's Favorite Prescription cures such headaches by curing the cause—irregularity, weakening drains, inflammation, ulceration or female weakness. "Favorite Prescription" invigorates and tones up the entire system, encourages the appetite, quiets the nerves and gives refreshing sleep. "I was troubled with congestion of the uterus and female weakness for five years," writes Mrs. Robt. Kerwin, of Albert, Hastings Co., Ont. "I was so weak and nervous I could hardly do any work. Had severe pain in back, also dizziness and pain in head. My heart would beat so hard and fast at times I would have to sit still till I got all right again. But after taking four bottles of Dr. Pierce's Favorite Prescription and one of his 'Golden Medical Discovery' I felt entirely well. I also used one box of 'Lotion Tablets' and one of 'suppositories' as directed. All the symptoms of my trouble have disappeared and I am completely cured. I thank you for your kind advice and your medicine."

Dr. Pierce's Pleasant Pellets clear the complexion and sweeten the breath.

FOR OVER SIXTY YEARS. AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

## SCHLEY'S DEFAMER IN DISFAVOR.

Because he called Admiral Schley a coward, Lieut. Commander Tompkins M. Potts, recently appointed naval attaché to the United States Embassy in Berlin, has received an intimation that the welcome to be accorded him by the Kaiser and the German navy will be limited to diplomatic courtesy. In answer to the embassy's inquiry as to when it would be convenient to present Commander Potts to the Emperor, the German foreign office returned the reply that the matter is in the jurisdiction of the navy department. This reversal of precedent, in accordance with which American military and naval representatives have hitherto been introduced to the Kaiser by the same channels as the Ambassador, is considered in diplomatic circles to be a direct snub and is likely to be emphasized throughout Commander Potts's diplomatic career. The Kaiser is known to entertain strong views on the Schley inquiry as a court-martial of a man who served his country well. The testimony of some of Schley's brother officers, putting the admiral in the light of a coward, has amazed and disgusted the whole German navy. Inquiry at the foreign office yesterday only elicited a statement to the effect that the Kaiser, as fully conversant with the Schley case. As evidence that the imperial attitude with regard to Commander Potts is without prejudice to the United States government, the Kaiser has ordered special facilities for investigation of shipyards, gun factories and arsenals to be furnished Admiral O'Neill when he visits Germany in June.

## ROYAL ARCANUM COUNCIL.

The twenty-fifth annual session of the Supreme Council of the Royal Arcanum is being held in the grillroom of the Royal Palace Hotel at Atlantic City. There were 128 representatives of subordinate lodges present when Supreme Regent Joseph A. Langht, of Pittsburgh, called the session to order yesterday. One question to be disposed of is the reduction of the age limit from 21 to 54 years to 18 to 54 years, which at previous councils has been voted down. This year, it is thought, the proposition will be endorsed. The effect of this move will be to greatly increase the membership. The "joining" age in insurance orders has been found to be between the age of 18 and 25 years, or before marriage. The most serious question to be settled is the proposition to change the insurance rates from \$1,000 to \$5,000 to \$1,000 to \$2,000 for new members. This will gradually eliminate all of the \$5,000 policies, but will strengthen the order by reducing liability for outstanding policies. The \$5,000 policy has never been as popular as those for lesser sums. There is also a proposition to pay ten per cent. of the face of the policy when the holder reaches the age of 70 years, but this question will probably go over for another year. Reports of committee members that the past year was the most successful in the history of the order. The membership committee reported that the gain in numbers exceeded any previous year of the Arcanum's existence.

## LIVES LOST IN MINE DISASTER.

The latest estimates as to loss of life in the Fraterville coal mine disaster at Coal Creek, Tennessee, is 226, including contract miners, day laborers, and boy helpers. The last find reported was that of thirteen bodies in an entry. Five of them had written letters before life became extinct. One of these letters gave the time of day. It was written at 2:30 o'clock Monday afternoon, thus indicating that these and perhaps other entombed men lived many hours after the terrible explosion, which occurred Monday morning at 7:30 o'clock. The letters gave a general suggestion of the suffering that was undergone, indicating that the men were gradually being strangled to death by the foul gaseous air that was filling the mine. One piteously read: "My God, for another breath!" The letters, in the main, were directions to families as to what disposition should be made of the writers' bodies and business affairs, and instructions as to raising the families. One of the victims, an orphan, addressed his letter, "To everybody," and pleaded that they change their way of living.

## SENATOR McLAURIN AT A BANQUET.

At the annual banquet of the American Asiatic Association at Delmonico's in New York Tuesday night, Senator John A. McLaughlin, of South Carolina, was one of the speakers. He said: "The business interests of the North are largely interwoven with the business interests of the South. In matters affecting our national honor, progress and prosperity there should be no North and no South, but with a general and indivisible union of hearts and hands, we should make the United States the commercial mistress of the world. Massachusetts and South Carolina used to do nothing but sit and glare at each other. They now hobnob together, attend each other's banquets

## and hold blocks of stock in the same concerns."

Regarding the importance of Chinese trade he said: "In 1890 we had 34 cotton mills in South Carolina; in 1900 we had 80. The product increased in value from \$10,000,000 to \$30,000,000, and the bulk of the product of these mills goes directly to China."

## EARTHQUAKE SHOCKS.

Almost continuous shocks, presumably of earthquake, were felt at St. Augustine, Fla., from 9 o'clock until midnight Tuesday night. The earthquake was accompanied by a succession of short but decisive reports like distant cannonading seemingly from far out at sea. The sounds were unlike thunder, having no reverberating roll, and were accompanied by decided tremors, while the sky in the southwest was suffused with a glow. The reports came at intervals of perhaps three minutes, and persons who remember the earthquake at Charleston say the noises were very similar to the subterranean noises accompanying that occurrence. The sound traveled from the south to the southwest. The night was perfectly clear. A number of citizens gathered on the sea wall and timed the intervals between the reports. The local forecast office at Charleston, S. C., reported yesterday that he observed volcanic dust in the air Tuesday night. A red sunset was caused by the particles.

When you wake up with a bad taste in your mouth, use Chamberlain's Stomach and Liver Tablets. One or two doses will make you well. They also cure biliousness, sick headache and constipation.

## Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of Chamberlain's Cough Cure will set you right. Sure cure for coughs, colds, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. W. Bowler, Groverton, N. H. "I never found anything else that acted so safely and quickly. For sale by E. E. Leadbetter & Sons."
